2/15/2021 NO SCHOOL

♥ *2020 has been a rough year for everyone and let's face it, January wasn't that great either. So, this February what better way to show love and compassion than through a Random Act of Kindness! Attached to this newsletter is a calendar and on each day is a 'RAOK' (random act of kindness) which you can do with your child(ren). Together we can spread the love!*
